

Halloween Mummy Oreo Pops

Ingredients: (for about 10 Oreo pops)

200 g white chocolate melts

10 Oreo cookies

mini chocolate chips (as eyes)

10 lollipop sticks

Methods

1. Line a baking tray with baking paper and set aside.
2. Heat chocolate melts in the microwave oven for 1 minute and stir and then heat further at 20-second intervals, until completely melted.
3. Gently twist the cookies apart. Push the lollipop sticks into the cream filling and place half a teaspoon of melted chocolate onto the cream filling. Place the cookies back together. Leave to set for a few minutes.
4. Dip each Oreo pop into the melted chocolate and place on baking paper.
5. Add two mini chocolate chips for the eyes.
6. Fill a plastic bag with some melted chocolate and cut the end of one of the bottom corners of the bag off. Use the bag to pipe thin lines of chocolate over the mummy to give him some bandage wraps.
7. Leave the Oreo pops to set for 10 minutes.
