- 2 large apples
- 2 cups pancake mix
- 1 cup milk
- 2 eggs
- chocolate sauce to taste

Instructions:

1. Slice and core apples into rings.
(Thinner rings make softer pancakes and thicker for crunchier.)
2. Mix together the pancake mix, milk and eggs into a batter.
3. Dip each apple ring in the batter and then cook in frying pan on medium to high heat for 3 minutes.
4. Top with chocolate sauce and serve!
